IF YOU ARE FILING A 2009-10 FAFSA, YOU WILL NEED YOUR 2008 TAX INFORMATION.

The following documents are needed in order to complete the FAFSA application on line:

- Your Social Security Card and Driver's License/State Identification Card
- Your Alien Registration Card (if you are not a U.S. Citizen)
- Your 2008 Federal income tax return and W2 forms
- If you are a dependent student: your parent's Social Security Number, Date of Birth, and Date of Marital Status and your Parent's 2008 Federal income tax return and W2 forms.

Note: If you do not come prepared with the required documents in order to complete your application, you will not be able to attend the lab session, and will need to return at another date.

Please make Child Care arrangements in advance, as children can not be allowed in the classroom.

Labs are limited to the first 15 people who show up, due to limited computers available. For the FAFSA Lab, if you are not prepared with your required documents, you will be asked to return to another lab when you have the documents.

You will only be allowed to enter up to 5 minutes late, so please plan to arrive on time.
