SATISFACTORY ACADEMIC PROGRESS

In accordance with Federal and State Regulations, these guidelines apply to all students requesting Title IV Funds regardless of whether the student has previously received Title IV Aid. Financial Aid recipients are required to meet Fullerton College’s Satisfactory Academic Progress (SAP) requirements. SAP provides qualitative, quantitative and incremental standards by which the college can determine that students receiving federal financial aid funds are maintaining the satisfactory academic progress required for their course of study. Failure to maintain SAP will result in loss of financial assistance. SAP for students will be determined at the end of each semester after the grade submission deadline. Effective July 1st, 2011, new Federal Regulations went into effect that significantly changed the SAP Policy. All students Must meet the new SAP beginning on that date. Among the changes are the removal of Probation 1 and Probation 2 from the SAP Calculation. There are no exceptions to these new regulations.

The financial aid office reviews academic progress each semester for Fullerton College (which includes attempted units at Cypress College). All attempted units are counted, irrespective of whether or not financial aid was received. We count all incompletes (I's), Withdrawals (Ws), Excused Withdrawals (EWs), Credit/No Credit, Pass/No Pass and all repeated coursework. Academic Renewal is not recognized for financial aid purposes, and is always counted in units attempted, GPA calculation, and maximum time frame, even when a more favorable grade was subsequently received, both attempts would be counted.

We will pay for failed courses and count the units in SAP, up to the maximum allowed by the College. Once a student passes a course, however, we will only pay for one subsequent attempt. Both attempts, even if aid was not received, will count in the SAP Calculation.

If a student transfers in course work from other institutions, we will count all attempted units accepted in SAP calculation, for both progress and maximum time frame. Any student who contests units as not degree applicable, would need to follow the maximum time frame appeal process as outlined below.

When a student is not meeting SAP, Fullerton College will offer 1 semester (maximum) of Financial Aid Warning before aid is disqualified for progress. There is no Financial Aid Warning for maximum time frame.

California College Promise Grant (CCPG) eligibility is different and separate from the SAP eligibility for Financial Aid. Please contact the Financial Aid Office for further details.

**Financial Aid Warning:** Students who do not meet SAP Standards for progress (indicated above) will be placed on Financial Aid Warning. This is a warning to students and will not affect their financial aid. If, while on Financial Aid Warning, students do not meet the SAP Standards for the second time they will be placed on Disqualified Status and all aid for the term will be canceled.

**Attempted Maximum Time Frame:** (generally 90 Units or more for most AA/AS programs, but may be less): Students who have attempted 90 units (the maximum time frame limit of 150%) or more, are required to appeal each semester/school year to receive financial aid. Individual certificate programs have their own maximum time frame. To identify the maximum time frame, 100% of units required are taken plus an additional 50%. For example, a 30 unit certificate program has a maximum time frame of 45 units. It is critical that students take the correct classes required for their degree, as even passing one’s classes with a high GPA, does not ensure the student will be able to graduate within the 150% maximum time frame. Taking courses not required for one’s degree, may result in the student being cut off from receiving future financial aid (see below.)

**Important Information:** If at any point in time it is determined that the Student cannot complete their course of study within the 150% timeframe (90 units for AA/AS, other certificate programs will vary), they will be immediately disqualified from future financial aid (may include the CCPG), for the remainder of their program, even if currently meeting the standards.

**Remedial and ESL Courses:** Financial aid may be received for remedial (basic skills) courses if the remedial courses are a prerequisite for entrance into a regular college program. Aid cannot be received for more than 30 attempted units of remedial coursework. ESL coursework must be part of an eligible program of study to receive financial aid. ESL coursework is not an approved program in and of itself. A student enrolled in ESL classes, who is not in an eligible program of study, is not eligible for financial aid funds. ESL and remedial coursework will count toward the 2.0 GPA and 67% units completion requirements (SAP Standard). However, ESL units will not count towards the maximum time frame limit and a maximum of 30 attempted remedial units will be subtracted from the total; when maximum time frame units are being counted.

**Regaining Eligibility:** Students who are DISQUALIFIED from receiving aid can regain their eligibility by meeting the standards which is to complete the required 67% of the attempted units and raise the cumulative GPA to at least 2.0, and be under the maximum time frame for their program. Students may wish to appeal this determination, by reading the appeal information on the next page. Students who have appeals approved will be placed on one semester of Financial Aid Probation.

**BA/BS Degree Students:** Students who have already completed a BA/BS Program: BA/BS Program and are enrolled in an AA/AS or Certificate Program at Fullerton College, will be able to apply for Direct Student Loans only.

PLEASE NOTE:
Attempted units are all units/classes in which the student was enrolled thru census week (3rd week of school). Therefore some W’s may be included in the “attempted unit” total.

NOTE: SAP Status at Cypress College is carried over and shared with Fullerton College, i.e., units are added together when determining the maximum timeframe limit.

FINANCIAL AID DISQUALIFICATION
Students who do not meet the SAP Standards listed above will be subject to disqualification from receiving further Federal and State Financial Aid (MAY INCLUDE THE CCPG). SAP Standards checked and verified each semester. Generally, a student who is disqualified from financial aid must meet SAP Standards by completing at least a successful semester without financial aid, and meet all SAP Eligibility criteria to regain eligibility. Students may wish to appeal this determination, by reading the appeal information below. Students who have appeals approved will be placed on one semester of Financial Aid Probation.

APPEAL REQUIREMENTS
Before students can appeal for financial aid, it is MANDATORY that they attend an online Satisfactory Academic Progress (SAP) Workshop. Students will use their own myGateway log-in to access the online Financial Aid SAP Workshop for Appeals portal. They must also pass a short quiz in order to have the SAP Workshop post and continue with the appeal process. Students must upload the SAP Workshop Certificate of Completion as confirmation to passing the SAP Workshop Quiz.

It is also MANDATORY for students to meet with a Financial Aid Academic Counselor before submitting a SAP Appeal.

Student may schedule their own Financial Aid Counselor Appointments online, by going to https://kiosk.us1.qless.com/kiosk/app/home/2832?queues=6322 Students no longer need to call or visit the Financial Aid Office to schedule their appointments. Available openings will be present to the student.

Appeals Students may not meet SAP for the following reasons:
• Students have reached the maximum time frame of their program. 90 units have been attempted (unit count varies for certificate programs).
• Did not complete with a cumulative GPA of 2.0 or better.
• Did not complete 67% of attempted units cumulatively.

Once the student reaches their maximum time frame, and/or does not meet the SAP Policy after one semester of financial aid warning, they will be disqualified from receiving additional assistance other than the BOG fee waiver.
Under certain conditions, a student may be eligible to appeal for reinstatement of aid, without meeting the SAP Policy. Each institution has the option of allowing or not allowing appeals and if allowed, must explain what options are available and who is eligible for an appeal. At Fullerton College, appeals are offered in the fall and spring semesters only, during a specified period of time.
Students who are disqualified will receive notification of their option to appeal via myGateway, and will include the time period that appeals will be accepted during a given semester.

Such reasons a student may be eligible to appeal include:

- Disqualified student extenuating circumstances (beyond the student’s control) that prevented him/her from meeting SAP standards (documentation substantiating statements must be submitted.) A SEPP form (or Student Educational Program Plan) would not be required.
- Change in major or program of study. In order for an appeal to be approved, the new unit count (once all non degree applicable attempted units are backed out) must be under the new maximum time frame. A SEPP form (or Student Educational Program Plan) would be required. A formal change of major with Admissions and Records must be submitted prior to completing the appeal process.
- Student has reached the maximum time frame of attempted units, but a portion of the unit total is comprised of remedial coursework, which would reduce the unit attempted total. A SEPP form (or Student Educational Program Plan) is required.
- Currently, we will only allow for a maximum of one program change in order to receive aid, with certain caveats.

Students are encouraged to see a FA counselor and develop a Student Educational Program Plan within completion of their first calendar year at Fullerton College, to ensure they are taking the appropriate required coursework for their program, so that they are not disqualified for continued financial aid assistance before they complete their program. Extenuating circumstances must ALWAYS be documented or the appeal will not be reviewed.

Extenuating circumstances are considered to be (but not limited to):

1. Serious illness, injury or medical condition requiring doctor’s care.
2. Death of an immediate family member or
3. Extenuating circumstances that were beyond the student’s control.

**APPEAL PROCESS**

Once the SAP Workshop has posted, students will be able to access the link to complete the appeal electronically at the verifymyfafsa website at https://fullcoll.verifymyfafsa.com. Students who completed their FAFSA will be able to use their myGateway login to access the Financial Aid Appeal Form. Supporting documentation for extenuating circumstances or SEPP’s is vital to the appeal process and must be submitted in order for the student’s appeal to be reviewed. We no longer accept these documents in hard copy in the blue drop box, via fax, or at the counter. Any submission to the Financial Aid Office will be discarded. Students are required to upload all supporting documents using a scanner, smartphone, or PDF via the verifymyfafsa website. Incorrect appeals will be denied and the student will not be able to resubmit their appeal during that semester.

NOTE: CADAA (CA Dream Act Application) students would also complete the SAP appeal process through their Verifymyfafsa Account at https://fullcoll.verifymyfafsa.com.

On the appeal, students must provide the following information for consideration:

1. Why the student failed to meet SAP.
2. What has changed to allow the student to meet SAP at the next evaluation.

Each appeal will be reviewed by the Director of Financial Aid and recommended for approval or denial based upon the student’s individual circumstances. All decisions are final and there is no higher appeal. Appeals approved will be placed on financial aid probation and receive payment for one semester. Appeals considered for approval must pass the litmus test of determining that the student will be able to meet the SAP Policy at the end of the financial aid probation period. If a student’s progress is such that there is no way they will be able to meet the SAP Policy at the end of the financial aid probation, their appeal will be denied. Student will be notified through their verifymyfafsa portal of their appeal status.

It is important to remember that generally, students become eligible for financial assistance again when they are once again meeting the SAP Policy. The appeal process is designed to be the exception to the rule when extenuating circumstances exist outside the student’s control and/or a change of major occurred where the student is now under the maximum time frame for the new program. Students should identify why they were disqualified and what their reasons are before they consider submitting a formal appeal. For this reason, we offer SAP Workshops each semester, and disqualified students are mandated to attend online.

All appeal decisions from the Director of Financial Aid are FINAL.
UNUSUAL ENROLLMENT HISTORY (UEH)
As of 2013-2014, students who have enrolled at multiple schools in a brief period of time may be flagged on their Student Aid Report. If a student is flagged, in order to be considered for Federal Student Aid, the student would need to bring copies of official transcripts for all Institutions of Higher Education attended to the Fullerton College Financial Aid Office. Based on this information, the student may be automatically approved, or the student may need to appeal. If an appeal is required, the student will need to obtain and complete the appeal form from myGateway, and submit it to the Financial Aid Office with documentation to support the statements on their appeal. The appeal will then be reviewed by the Director of Financial Aid, and this decision is final. There is no higher appeal.

NOTE: UEH Appeals are specifically for Pell eligibility; SAP Appeals for all Title IV Financial Aid; CCPG Appeals for the Tuition Fee Waiver. A student may be ineligible for one or more of these circumstances therefore may need to appeal for each separately.

The CCPG requires a separate appeal process.

Legislation and governmental regulations are continually changing the face of student financial aid. The information contained in this brochure is correct as of the time of this publication 5/2019. However, information is subject to change without notice.
