CCPG STANDARDS

Beginning in 2016/2017, the CCPG will be requiring students to meet Academic and Progress Standards.

- Academic: Must maintain a cumulative 2.0 GPA or higher
- Progress: Must complete more than 50% of cumulative coursework

All students must maintain both standards to continue to receive the CCPG. If a student does not meet these standards for two consecutive semesters, they may lose CCPG eligibility.

If a student loses CCPG eligibility, there are steps to regaining eligibility.

- Improve GPA/coursework completion to meet standards
- Successfully appeal based on extenuating circumstances or significant academic improvement
- Not attend NOCCCD for two consecutive primary terms (Fall/Spring)

Academic and Progress Standards do not apply to foster youth or former foster youth 24 years old or younger.
