

FINANCIAL AID AND YOU:

Working together for student success

Don't Delay! Apply Today!

Financial aid is available in the form of grants, scholarships, work study and student loans. Don't disqualify yourself by not applying and don't assume you will not qualify.

Steps to completing the financial aid process:

- 1** **Complete the FAFSA application online at: www.fafsa.gov or the Dream Act Application on dream.csac.ca.gov by the March 2 priority deadline (final deadline for Dream Act students). List Fullerton College School Code: 001201. The Financial Aid Office will begin processing 17/18 files in January 2017.**
- 2** **Once you receive your SAR (Student Aid Report), if you are selected for verification, log into myGateway to view what financial aid documentation is needed. If you are not selected for verification (skip to Step 4), your financial aid file will be auto-packaged.**
- 3** **Review documents required to complete verification. Students will complete forms online, upload necessary requirements, and provide electronic signatures. All documentation must be uploaded online.**
- 4** **View your award letter through myGateway by viewing "My Award Information." When you receive your BankMobile Information Packet in the mail, follow the steps to select your preferences to receive your financial aid disbursement.**
