

FINANCIAL AID AND YOU:

Working together for student success

Don't Delay! Apply Today!

Financial aid is available in the form of grants, scholarships, work study and student loans. Don't disqualify yourself by not applying and don't assume you will not qualify.

Steps to completing the financial aid process:

- 1** **Complete the FAFSA application online at: www.fafsa.ed.gov. List Fullerton College's school code: 001201. Select the IRS Data Match on your FAFSA application in order to expedite the processing of your financial aid file. The Financial Aid Office will begin processing 13/14 files in April, 2013.**
- 2** **Once you receive your SAR (Student Aid Report), if you are selected for verification, go to the college website at www.fullcoll.edu and select the "myGateway" link. Log into "myGateway" to view what financial aid documentation is needed. If you are not selected for verification, (Skip to Step 4) your financial aid file will be auto-packaged and no further action is required on your part.**
- 3** **Complete the additional paperwork by clicking the document in "myGateway", printing it, and submitting it to the Financial Aid Office either via mail, FAX, in the Blue Mailbox outside our office or in person. If you are being asked to bring in IRS Transcripts of your federal taxes and W2 forms, you need to obtain this documentation and turn it in to our office. However, once again, the Financial Aid Office encourages you to select the IRS Data Match, if applicable, on your FAFSA application in order to expedite the processing of your financial aid file.**
- 4** **View your award letter on line using "myGateway." When you receive your North Orange Card in the mail, follow the steps to select your preferences to receive your financial aid disbursement!**

Labs are also available if you need assistance in completing the FAFSA.
