College Workshops are offered by the Fullerton College Financial Aid Office to allow students to “drop in” with their questions, complete a FAFSA or CA Dream Act Application, and gain information on the financial aid process. This is a community service offered to all potential and current college students and their families.

If you are completing a 2017/2018 FAFSA/CA Dream Act Application, you will need your **2015** tax information.

The following documents are needed in order to complete the application online:

- Your Social Security Card and Driver's License/State Identification Card.
- Your Alien Registration Card (if you are not a U.S. Citizen).
- Your 2014 or 2015 Federal income tax return and/or W2 forms (include parent's tax information if dependent).
- Parent's Social Security Number, Date of Birth and Date of Marital Status (if dependent).

Note: If you do not come prepared with the required documents in order to complete your application, the Financial Aid staff can only provide guidance on the FAFSA. Please make child care arrangements in advance as children cannot be allowed in the classroom.

Students must arrive on time before each workshop.
