How to Track Your Disbursement:

Disbursements occur weekly beginning the first Friday of the semester. All eligible students who have met the priority filing date of May 31, 2013 for the fall semester and who meet the Satisfactory Academic Progress Policy will be considered for the first disbursement. Once a student is awarded and registered, Fullerton College must verify that the student is not receiving financial aid at any other college, which, depending on when you register, may hold disbursement for seven days. See the Transfer Monitoring section of the Financial Aid Consumer Brochure for more information. The Federal Pell Grant is disbursed in two equal installments each semester, 50% the first disbursement and 50% after the mid-point of the semester.

Students will note a negative balance on their account once the disbursement has occurred. It may take 5-10 business days for the funds to be processed and transferred to the student’s Higher One account after a request for payment is made. The negative balance will disappear from the student’s account once the grant or loan has been transferred to the Higher One Account. Students set up to receive email and/or text messages from Higher One will be notified when the disbursement hits their account.

All grant disbursements are based on the number of units in which the student is enrolled at the time of the freeze date for the semester.

FREEZE DATES:
Fall September 9, 2013
Spring February 10, 2014
Summer June 26, 2014

DISBURSEMENT DATES:
