Dear Student,

You will need to follow the instructions on this page, in order to receive a Federal Direct Stafford Student Loan. Taking out a loan is a big responsibility and should not be taken lightly. A student loan, like any other loan, is a debt that must be repaid with interest. You will owe this money back even if you withdraw from Fullerton College without completing your degree or are unable to find work. On a positive note, taking out a student loan can also help you establish or re-establish a good credit history, and can assist you in bridging the gap and meeting your educational expenses.

The amount you may borrow is determined on two factors: 1) the total number of units you have completed, and 2) your ‘unmet need’ on your financial aid award. You will need to determine these two factors before applying for a loan as our office will only certify your loan up to the amount for which you are eligible, even if you requested a higher amount. Because we want you to exhaust all gift aid, such as grants and scholarships, before taking out a student loan, you should not apply for a loan until you have been awarded and viewed your award letter in myGateway.

Be aware that you can apply anytime for your loan during the Fall and Spring semester until our advertised spring cut-off date for the 2015-2016 Academic Year. If you do not need the funds now, you can wait to apply at a later date.

If you have any additional questions, please feel free to call us at 714-888-7588 or stop by our office during business hours. Should you decide to take out a student loan, please follow the instructions at the right of this page.

Best of luck in reaching your personal and educational goals,

Greg Ryan
Director of Financial Aid
• If you need additional funds and are an independent student or if you do not have enough unmet need to receive the full subsidized amount, you may receive an unsubsidized loan. First and Second Year Students: $6,000* (*Note: Dependent students may only apply for an additional unsubsidized loan of $2,000.)

Independents may combine the two amounts, for a total of:
First Year student: $3,500 + $6,000 = $9,500
Second Year student: $4,500 + $6,000 = $10,500 (if completed 30 units or more)

Fees
There is a fee associated with borrowing a Direct Stafford student loan. Beginning October 1, 2015 the origination fee is 1.068%. Your loan proceeds will be reduced by the amount of the fees, however, you will be responsible for repayment of the entire amount borrowed.

Counseling
You will need to complete entrance counseling each year you apply for a student loan from Fullerton College. You must also complete exit loan counseling before you withdraw, graduate, or drop below half time attendance.

Repayment
There are several repayment plans from which to choose to best meet your budget. For more information on repayment plans, please visit the Direct Loan Servicing website at www.direct.ed.gov.

Time Limitation on Direct Subsidized Loans
There is a limit on the maximum period of time (measured in academic years) that you can receive Direct Subsidized Loans. In general, you may not receive Direct Subsidized Loans for more than 150% of the published length of your program. This is called your “maximum eligibility period”. You can usually find the published length of any program of study in your school’s catalog. For example, if you are enrolled in a 2-year associate degree program the maximum period for which you can receive Direct Stafford Loans is 3 years (150% of 2 years = 3 years). Please note if you fail to complete your program within the maximum eligibility period you may lose eligibility for future subsidized loans as well as the interest subsidy on all prior subsidized loans.

Loan Disbursement for Clock Hour Students
If you are a clock hour student in Cosmetology, Administration of Justice, or Therapeutic and Sports Massage-Level 1 and qualified for a student loan, your first disbursement will be 30 days from the beginning of your program. The second loan payment is disbursed upon completion of ½ the clock hours and ½ the weeks of instruction.
Cosmetology and Administration of Justice students may be eligible for a new loan for the final completion of their program but MUST complete the FAFSA for the following academic year and qualify for a loan payment (loan amount would be prorated).

Legislation and governmental regulations are continually changing the face of student financial aid.
