

# California College Promise Grant

## WHAT IS THE CCPG?

The California College Promise Grant (CCPG) is a state-funded program available exclusively to California residents attending California Community Colleges, including eligible CA Dream Act students. Residency status is determined by the Fullerton College Admissions & Records Office. The CCPG covers the \$46 per unit tuition fee and part of the parking permit fee. After registering for classes, eligible students will have all applicable fees waived within 24 to 48 hours. Please note that additional processing time may apply if further documentation is needed to confirm eligibility.

## HOW DO I APPLY?

### OPTION 1
